Independent Audit Report to the members of Nadrasca

Report on the Financial Report

We have audited the accompanying financial report of Nadrasca, which comprises the balance sheet as at 30 June 2008, and the income statement, statement of changes in equity and cash flow statement for the year ended on that date, a summary of significant accounting policies, other explanatory notes and the directors' declaration. Nadrasca is a public company limited by guarantee with dispensation by ASIC not to use 'Limited' in the company name.

Directors' Responsibility for the Financial Report

The directors of the company are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Corporations Act 2001. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the company's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Nadrasca

Independent Audit Report to the members of Nadrasca

Independence

In conducting our review, we have complied with the independence requirements of the Corporations Act 2001. We confirm that the independence declaration required by the Corporations Act 2001, provided to the directors of Nadrasca on 24 September 2008, would be in the same terms if provided to the directors as at the date of this auditor's report.

Auditor's Opinion

In our opinion the financial report of Nadrasca is in accordance with the Corporations Act 2001, including:

- (a) giving a true and fair view of the company's financial position as at 30 June 2008 and of its performance for the year ended on that date; and
- (b) complying with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Corporations Regulations 2001.

Nadrasca

Auditors Independence Declaration under Section 307C of the Corporations Act 2001

I declare that, to the best of my knowledge and belief, during the year ended 30 June 2008 there have been:

- (i) no contraventions of the auditor independence requirements as set out in the Corporations Act 2001 in relation to the audit; and
- (ii) no contraventions of any applicable code of professional conduct in relation to the audit.

Directors' Report

30 June 2008

Your directors present their report on the company for the financial year ended 30 June 2008.

1. General information

a Directors

The names of the directors in office at any time during, or since the end of the year are:

Names	Appointed/Resigned
Christopher Keith Tann	
Christopher Patrick Pyke	
Gus Koedijk	
Brian George Hayes	
Richard James Copeland	
Alan Keith Kilner	
Margaret Aitcheson Robertson	Resigned 20/11/2007
Yvonne Lynette Mahony	
Malcolm Thomas Poole	
Jennifer Elizabeth Reid	

Directors have been in office since 4 May 2007 to the date of this report unless otherwise stated.

b Company Secretary

The following person held the position of company secretary at the end of the financial year:

Gus Koedijk

c Principal Activities

The principal activities of Nadrasca during the financial year were the provision of supported accommodation services, supported employment, lifestyle, and vocational support and other services to support people with a disability.

There have been no significant changes in the nature of Nadrasca's principal activities during the financial year.

Nadrasca

Directors' Report

30 June 2008

2. Business review

a Operating Results

The profit of Nadrasca for ordinary operating activities amounted to \$ 211,757.

b Dividends Paid

The constitution does not allow the payment of any dividends.

c Review of operations

The operating surplus from ordinary activities was \$211,757.

The reporting period is from 1 July 2007 to 30 June 2008.

Revenue from ordinary activities for the year was \$8,599,920. Major sources of income were: government grants \$6,013,397 and sale of goods and services \$1,821,716

Operating expenses for the year were \$6,852,397. The one major expenditure item was employee costs \$5,052,104.

3. Other items

a Significant Changes in State of Affairs

No significant changes in Nadrasca's state of affairs occurred during the financial year other than those referred to above.

b After balance day events

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of Nadrasca, the results of those operations or the state of affairs of Nadrasca in future financial years.

c Corporate Governance

The Board of Directors of Nadrasca is responsible for the corporate governance of the entity. The Board guides and monitors the business and affairs on behalf of the members, to whom they are accountable.

d Board Responsibilities

The Board acts on behalf of and is accountable to the members. The Board identifies the expectations of members and monitors changes in Government policy and community expectations.

Nadrasca

Directors' Report

30 June 2008

3. Other items continued

e Board Committees

To maximise its efficiency and effectiveness the Board has formed a number of sub-committees that consider specific areas of Nadrasca's activities and report back to the Board.

Audit Finance & Risk Committee

The primary role of the Committee is to monitor and review, on behalf of the Board, the effectiveness of the control environment in Nadrasca in the areas of operational and balance sheet risk, legal/regulatory compliance and financial reporting. The overriding objective of the Committee is to provide an independent and objective review of financial and other information prepared by management, in particular that to be provided to members and/or filed with regulators.

The Committee also reviews the adequacy and scope of the audit plans of the external auditors.

Members of the Committee are Brian Hayes, Alan Kilner, Richard Copeland and Augustinus Koedijk.

Marketing and Communication Committee

This committee works on strategies to promote to the broader community the role of the entity. This includes working with staff to develop a marketing plan that identifies potential new markets and promotes the services to the community.

Members of the Committee are Christopher Pyke, Yvonne Mahony & Malcolm Poole.

f Auditors Independence Declaration

The lead auditor's independence declaration for the year ended 30 June 2008 has been received and can be found on page 3 of the financial report.

g Rounding of amounts

The company is an entity to which ASIC Class order 98/100 applies and, accordingly, amounts in the financial statements and directors' report have been rounded to the nearest dollar.

Nadrasca

Directors' Declaration

The directors of the company declare that:

1. The financial statements and notes, as set out on pages 10 to 30, are in accordance with the Corporations Act 2001 and:
 - (a) comply with Accounting Standards and the Corporations Regulations 2001; and
 - (b) give a true and fair view of the financial position as at 30 June 2008 and of the performance for the period ended on that date of the company.
2. The directors declared that:
 - (a) the financial records of the company for the financial period have been properly maintained in accordance with section 286 of the Corporations Act 2001;
 - (b) the financial statements and notes for the financial period comply with the Accounting Standards; and
 - (c) the financial statements and notes for the financial period give a true and fair view.
3. In the directors' opinion, there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors.

Notes to the Financial Statements

30 June 2008

1 Statement of Significant Accounting Policies

(a) General information

The financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards, including Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board and the *Corporations Act 2001*.

The financial report covers the company of Nadrasca. Nadrasca is a public company, incorporated and domiciled in Australia

The financial report of Nadrasca complies with all Australian equivalents to International Financial Reporting Standards (AIFRS) in their entirety.

The following is a summary of the material accounting policies adopted in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

(b) Basis of Preparation

Reporting Basis and Conventions

The financial report has been prepared on an accruals basis and is based on historical costs modified by the revaluation of selected non-current assets, financial assets and financial liabilities for which the fair value basis of accounting has been applied.

(c) Comparative Figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

(d) Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost less, where applicable, any accumulated depreciation and impairment losses.

Property

It is the company's policy to carry land and buildings at cost less subsequent depreciation for buildings.

Nadrasca

Notes to the Financial Statements

30 June 2008

1 Statement of Significant Accounting Policies continued

(d) Property, Plant and Equipment continued

Plant and equipment

Plant and equipment are measured on the cost basis less depreciation and impairment losses.

The carrying amount of plant and equipment is reviewed annually by directors to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets employment and subsequent disposal.

Depreciation

The depreciable amount of all fixed assets including buildings and capitalised leased assets, excluding freehold land, is depreciated on a straight-line basis over their useful lives to the company commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease, or the estimated useful lives of the improvements.

The depreciation rates used for each class of depreciable assets are:

Class of Fixed Asset

Buildings	2 - 20%
Plant and Equipment	10 - 20%
Furniture, Fixtures and Fittings	7 - 30%
Motor Vehicles	15 - 20%

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each balance sheet date.

(e) Inventories

Inventories are measured at the lower of cost and net realisable value. The cost of manufactured products includes direct materials, direct labour and an appropriate portion of variable and fixed overheads. Overheads are applied on the basis of normal operating capacity. Costs are assigned on the basis of weighted average costs.

(f) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the balance sheet.

Nadrasca

Notes to the Financial Statements

30 June 2008

1 Statement of Significant Accounting Policies continued

(g) Employee Benefits

Provision is made for the company's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs. Employee benefits payable later than one year have been measured at present value of the estimated future cash outflows to be made for those benefits.

Defined superannuation schemes

In respect of defined benefit plans, the cost of providing the benefits is determined using the projected unit credit method. Actuarial valuations are conducted every three years, with interim valuations performed on an annual basis. Consideration is given to any event that could impact the funds up to balance sheet date where the interim valuation is performed at an earlier date.

The amount recognised in the balance sheet represents the present value of the defined benefit obligations adjusted for any unrecognised actuarial gains and losses and unrecognised past service costs less the fair value of the plan's assets. Any asset recognised is limited to unrecognised actuarial losses, plus the present value of available refunds and reductions in future contributions to the plan.

Actuarial gains and losses are amortised over the expected average remaining working lives of the participating employees in the scheme. Gains or losses on the curtailment or settlement of a defined benefit plan are recognised in the income statement when the group is demonstrably committed to the curtailment or settlement.

Past services costs are recognised when incurred to the extent that the benefits are vested, and are otherwise amortised on a straight-line basis over the vesting period.

(h) Provisions

Provisions are recognised when the company has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

(i) Income Tax

The entity is exempt from income tax under Division 50 of the Income Tax Assessment Act 1997.

Nadrasca

Notes to the Financial Statements

30 June 2008

1 Statement of Significant Accounting Policies continued

(j) Revenue

Revenue from the sale of goods and services is recognised upon the delivery of goods to customers.

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

Revenue from properties is recognised on an accruals basis or straight-line basis in accordance with lease agreements.

Revenue from the rendering of services is recognised upon the delivery of the service to the customers.

All revenue is stated net of the amount of goods and services tax (GST).

(k) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the balance sheet are shown inclusive of GST.

Cash flows are presented in the cash flow statement on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

(l) Rounding of Amounts

The company has applied the relief available to it under ASIC Class Order 98/100 and accordingly, amounts in the financial report and directors' report have been rounded off to the nearest dollar.

(m) Financial Instruments

Recognition and Initial Measurement

Financial instruments, incorporating financial assets and financial liabilities, are recognised when the entity becomes a party to contractual provisions of the instruments. Trade date accounting is adopted for financial assets that are delivered within timeframes established by marketplace convention. Financial instruments are initially measured at cost on trade date, which includes transaction costs, when the related contractual rights or obligations exist. Subsequent to initial recognition these instruments are measured as set out below

Derivative instruments

Derivative instruments are measured at fair value. Gains and losses arising from changes in fair value are taken to the income statement unless they are designated as hedges.

Nadrasca and controlled entities designates certain derivatives as either:

- (i) hedges of the fair value of recognised assets or liabilities or a firm commitment (fair value hedge); or
- (ii) hedges of highly probable forecast transactions (cash flow hedges).

Nadrasca

Notes to the Financial Statements

30 June 2008

1 Statement of Significant Accounting Policies continued

(m) Financial Instruments continued

continued

At the inception of the transaction the relationship between hedging instruments and hedged items, as well as its risk management objective and strategy for undertaking various hedge transactions is documented. Assessments, both at hedge inception and on an ongoing basis, of whether the derivatives that are used in hedging transactions have been and will continue to be highly effective in offsetting changes in fair values or cash flows of hedged items, are also documented.

(i) Fair value hedge

Changes in the fair value of derivatives that are designated and qualify as fair value hedges are recorded in the income statement, together with any changes in the fair value of the hedge asset or liability that are attributable to the hedged risk.

(ii) Cash flow hedge

The effective portion of changes in the fair value of derivatives that are designated and qualify as cash flow hedges is deferred to a hedge reserve in equity. The gain or loss relating to the ineffective portion is recognised immediately in the income statement.

Amounts accumulated in the hedge reserve in equity are transferred to the income statement in the periods when the hedged item will affect profit or loss.

Financial assets at fair value through profit and loss

A financial asset is classified in this category if acquired principally for the purpose of selling in the short term or if so designated by management and within the requirements of AASB 139: Recognition and Measurement of Financial Instruments. Derivatives are also categorised as held for trading unless they are designated as hedges. Realised and unrealised gains and losses arising from changes in the fair value of these assets are included in the income statement in the period in which they arise.

Loans and receivables

Loans and receivables are non derivative financial assets with fixed or determinable payments that are not quoted in an active market and are stated at amortised cost using the effective interest rate method.

Held to maturity investments

These investments have fixed maturities, and it is the company's intention to hold these investments to maturity. Any held to maturity investments held by the company are stated at amortised cost using the effective interest rate method.

Financial liabilities

Non derivative financial liabilities are recognised at amortised cost, comprising original debt less principal payments and amortisation.

Fair value

Fair value is determined based on current bid prices for all quoted investments. Valuation techniques are applied to determine fair value for all unlisted securities, including recent arm's length transactions, reference to similar instruments and option pricing models.

Impairment

At each reporting date, the company assess whether there is objective evidence that a financial instrument has been impaired. In the case of available for sale financial instruments, a prolonged

Nadrasca

9 Retirement Benefit Obligations

Defined Benefit Plan

The entity contributes at least 9% of the employees' wages and salary to various superannuation funds in accordance with the Superannuation Guarantee legislation.

Nadrasca and 2 of its employees contribute, through Health Super Pty Ltd, to a defined benefits scheme. Employees contribute 6% of salary and Nadrasca contributes 10% for the contributory component of the scheme and 9% for the basic benefit scheme. As at 30 June 2008 this fund reported a net surplus of \$13,029 in the defined benefit scheme (this amount is not recognised in the financial statements as at balance date as it is not refundable).

16 Key Management Personnel Compensation

(a) Remuneration policy for key management personnel

Executives and senior management are remunerated based on annually assessed competitive market rates. Remuneration includes salary, an opportunity to receive an incentive payment based on clearly defined performance indicators and salary packaging. Remuneration reviews take into account elements such as performance, position within the market range and relativity to peers.
