

Save Nadrasca Community Farm

To the Legislative Council of Victoria

The Petition of concerned residents of Victoria draws to the attention of the House the decision by VicRoads that the reservation between Springvale Road, Vermont South and Boronia Road, Vermont, will not be required for future road purposes and the consequent development of a Structure Plan for the future use of the land within the reservation, with the possibility of the land being sold by VicRoads for housing and other purposes.

This could result in Nadrasca Community Farm having to leave its current location at Morack Road, Vermont and ceasing its operations in providing day services for adults with intellectual and physical disabilities, adversely affecting organisations like Yooralla, Scope, Melba Support Services, Heatherwood School and Alkira.

The petitioners therefore request that the Legislative Council of Victoria urge the Government to:
Facilitate an affordable arrangement that will guarantee Nadrasca Community Farm will remain in its current location so it can continue to provide great service to the community and grow.
