

Online Contractor Induction

As part of our OH&S Policy, Nadrasca require that all contractors working on our facilities undertake an Online Health & Safety Induction Training Course prior to entry.

ALL contracted employees entering a Nadrasca site need to undertake this induction prior to entry.

Taking an online induction course is easy and takes about 15 to 20 minutes. Being online, courses can be taken from anywhere using a standard Web Browser.

Instructions:

1. Open your Web Browser to the website <http://www.inductme.com.au/nadrasca>
2. Enter the Pin Number and Password assigned to your organisation/company
3. Press the Start Course button and follow instructions

At the end of the course they will receive an email with an attached Certificate/ID which must be cut out and signed. This completed card must be shown on each visit and will be checked to see it is valid.

Please note that a **No Induction ID, No Entry policy will be applied.**

Failure to comply with this requirement will be treated as a breach of OH&S Policy and may result in the cancellation of works and/or contract.

Please ensure you send through your Public Liability insurance and Workers Compensation Insurance before your first contracted attendance.
